

**Journalist, television and radio broadcaster - Steve Liebmann (NCDW Ambassador)**

**Q1: What is your current job/career?**

Semi-retired. I present factual programs for Foxtel, present radio programs for 2UE(Sydney) and perform corporate work for companies and government departments.

**Q2: Why did you choose your job/career? - did you have a plan? - what resources if any did you use?**

My initial career as a radio announcer chose me. I grew up in a NSW country town where the owner of the local radio station offered me a job. I did not have a plan apart from wanting to learning all aspects of the job and learning as much as I could from my more experienced work-colleagues.

**Q3: How would you like your job/career to develop and what do you need to do to make the change?**

Not applicable.

**Q4: When you were a child, what did you want to be when you grew up?**

When I was at high school I thought about a career in journalism or law.

**Q5: What challenges do you need to overcome to "get the life you love"?**

No challenges because I'm nearing the end of a long career which gave me and continues to give me "the life I love".
