What is your event story?	
<p>Community Services and Health Industry Skills Council is currently holding a series of free Roadshows around the country showcasing four new FREE career and employment training materials aimed at helping people who work in employment assistance organisations, registered training organisations, HR and career advice, and parents and job seekers. These tools will help people wishing to work, or already working, in the community services and health industries. visit www.cshisc.com.au for roadshow details or www.CareersthathatMatter.com.au.</p>
