

## Get the life you love! Post School Options Information Evening organised by The Smith Family – Learning for Life Program

### Feedback from attendees:

- \* Guest speakers spoke to all the children and parents on a level they could understand.
- \* Good to hear them say you can change your mind and that what you start doing does not mean you will be doing it for life
- \* Liked hearing about the different options available
- \* I loved the opportunity to come and listen to the speakers
- \* It was very informative and I was so glad our family had the opportunity to attend
- \* Atmosphere was friendly and the speakers approachable
- \* Thanks Wendy, speakers and TAFE for providing this awesome service. Very well done!
- \* Information presented was very informative.
- \* I like how all speakers stressed the importance of good grades and how sometimes your goals aren't reached through route A.
- \* I can't think of any improvements. Thank you, Wendy. Well done.
- \* The evening session was great!!!
- \* A lot of things to learn. The info given was constructive. Focusing on life's future was inspirational from the Guest Speakers. It was well presented.
- \* I couldn't suggest improvements. Well done tonight. Thanks for the invitation.
- \* I liked the Guest Speakers and the food.
- \* I liked when Sarah and that man spoke about TORGAS. Loved how they presented the speech.
- \* I liked the food and the people who spoke. Thank you.
- \* The guest speakers were very interesting. The information we received was very helpful and beneficial. A good range of speakers.
- \* Food and catering was delicious, excellent, well presented.
- \* Thank you so much for taking the time out to make this night happen.
- \* I found the session very informative. It is good to know businesses are putting on more apprentices so there are more opportunities for our kids.
- \* Enjoyed the night, very interesting and informing. Cleared a lot of thoughts and questions about the jobs I am considering.

- \* Guest speakers had great speeches.
- \* Food and refreshments were lovely.

Getting results at the event:

Another very nice benefit of the evening was hearing Moya from TAFE talking with a young man who has just left school but who after attending the evening was considering returning to Year 10. She really seemed to be making a difference in his perception of himself, what he wanted to do and his knowledge of how to get there.

Thanks so much to everyone involved for making this a night to remember for our Learning for Life families!
