Fun planned for carers workshop

CARERS in Yarra Ranges are being given the opportunity to have some fun at a free workshop while planning some ideas for their future.

Carers can explore their options for recreation, volunteering, training and employment while being nurtured with relaxing massage, good food and company on Wednesday 19 May, as part of National Career Development

Week in Your Community.

“Carers play a vital role in supporting people who may be limited in their ability to lead full and independent lives,” said Lou Sbalchiero, community Development Officer with Yarra Ranges Council.

“This introductory workshop is part of National Career Development Week and addresses car-

ers’ career development needs that can sometimes be put on hold.”

The workshop will be held from 1pm at Yarra Ranges Civic Centre in Lilydale.
