

Production Manager (The Wiggles) - Kate (under 30)

Q1: What is your current job/career?

Production Manager for The Wiggles.

Q2: Why did you choose your job/career? - did you have a plan? - what resources if any did you use?

I chose my career/job because it gives me everything that I would want out of one, excitement, challenges, responsibility and most of all I get to have fun and meet great people. I did in some respects have a plan and that was basically just to get the relevant qualifications that I felt I would need, which was a Bachelor of Media degree and then I worked within the publishing industry in sales and production.

Q3: How would you like your job/career to develop and what do you need to do to make the change?

I would like to develop my career through more years of experience working with The Wiggles and continued exposure to new facets of the industry. As well as this, I would also like to in the near future continue to do study and courses relevant to my career.

Q4: When you were a child, what did you want to be when you grew up?

A crime scene investigator or a news reporter.

Q5: What challenges do you need to overcome to "get the life you love"?

I need to realise my full potential and keep striving to achieve.
